Subject: St Louis Park call - Friday 1/6/17

Dave, Pam, Greg and Crague,

I have set up an Adobeconnect conference and should be able to transfer presenter rights to you after the call is initiated, and wanted to confirm MPCA would be prepared to present some of the key additional St Louis Park data tomorrow?

Alternatively, please let me know if you think it would be helpful to delay our call to provide more time to prepare? I'm still playing catch up here from the holidays myself, so that wouldn't be a problem.

Thanks,
 Pat
